Welcome everyone to week 7.

This week we will be visited by Sophie Foott, a Speech Pathology student from Sydney. She will be working with students via REACT. It is excellent to get this support and REACT is able to make this service even more beneficial.

Thank you to all those supervisors that are regular attenders to our Weekly Supervisor Session. This session gives you the chance to air any concerns, ask any questions, praise a teacher’s work or even share any hints or tips you may come across. The informal chat then is discussed at the next staff meeting and areas acted on straight away.

Active After Schools was a big success last week with our biggest attendance for the year. 28 students participated in Zumba on Wednesday which was very pleasing. We have opened up the sessions for both Wednesday and Friday to Hay School of the Air as well. So if you see a student that you may not have seen previously it is probably a student from Hay.

Have a wonderful week,

Mr Eason

Reminders

- AASC on Wednesday 2:15pmCST and Friday 1pmCST this week.
- Weekly Supervisor Session each Monday afternoon @ 3pmCST
“It is important that students bring a certain ragamuffin, barefoot irreverence to their studies; they are not here to worship what is known, but to question it.”

— Jacob Bronowski

Comprehension help for teens
Some kids will read perfectly in primary school and then suddenly struggle with comprehension in high school. Here's why.

Planning for the future
Throughout your child's school life you'll need to make choices about aspects of their education and future. Here's a selection of tips to help you plan for parent-teacher talks, subject selection, careers advice and back-to-school.

Kids, homework and lies
Do you think your child is lying about their homework? Listen to psychologist Anne Hollonds chat with James O'Loghlin on what to do when the dog eats the homework.

Maths at home
Kids' early experiences with measurement are often based on watching their parents. Seeing mum or dad measure and pour ingredients for a recipe or weigh items at the fruit shop will often become part of their play.

The National Film and Sound Archive’s School Screen program is delighted to be visiting Broken Hill again this year and invite you and your students to free film screenings at the Silver City Cinema, Broken Hill.

There are three films being screened on Thursday 28th and Friday 29th November.

10am Thursday 28th November for lower primary students:

Oakie’s Outback Adventures (G) 2011, 86 mins
Oakie, a young blue heeler pup, is supposed to be delivered to Texas, USA, but through a courier bungle he ends up in Texas, Queensland, in Outback Australia. Oakie is quickly befriended by Action Dann and they embark on a series of adventures, meeting many wonderful and quirky characters in the rugged and unique beauty of the Australian Outback. Oakie along with his new friends relives many of the poems and stories that define the Australian culture. Poems featured in the film include Waltzing Matilda, Mulga Bils Bicycle, The Man from Snowy River and Bush Christening by AB Banjo Patterson and The Loaded Dog by Henry Lawson.

12.30pm Thursday 28th November for upper primary and secondary students:

The Dragon Pearl (PG) 2011, 93 mins
Josh and Ling were expecting a boring vacation visiting each of their parents at an archaeological dig in China. But the new friends soon discover they’re right in the middle of an adventure when they find a Chinese Golden Dragon.

10am Friday 29th November for senior secondary students:

The Black Balloon (M) 2008, 97 mins
It’s not easy being Thomas Mollison. When Thomas (Rhys Wakefield) and his family move to a new home and he starts at a new school, all he wants is to fit in. His pregnant mother ( Toni Collette) has to take things easy, so his father Simon (Erik Thomson) puts him in charge of his autistic older brother Charlie (Luke Ford). Thomas, with the help of his new girlfriend Jackie (Gemma Ward), faces his biggest challenge yet. The Black Balloon is a story about fitting in, discovering love and accepting your family.

School Song
(Sung to the tune of ‘Waltzing Matilda’)

All the little children
Scattered through the outback
Tune into School of the Air at the start
And we sing as we listen
To many tape recordings
All joining in though we’re many miles apart

Parted but united, Parted but united
Is our school motto and pride of our hearts
And we sing as we listen
To many tape recordings
All joining in though we’re many miles apart

Big ones and little ones
Listen in attentively
Eager for knowledge our teachers impart
Then we call in to answer
Telling them exciting things
Then back to work with a much lighter heart

UNITY
At School of the Air we:
Use our best manners at all times
Never give up
Instil pride in ourselves and others
Think ‘BIG’
Yearn to learn

How can we help?

Frontier Services is an agency of the Uniting Church and has provided services to people living in Outback and remote Australia for nearly 100 years. The Frontier Services Patrol Ministers offer pastoral care to individuals, families and communities who face the challenges of isolation every day. They travel by road or air to conduct services, to lend a hand or just to have a chat.
