Hi everyone. I hope everyone has been limbering up and getting ready for the Athletics Carnival next week! This is one of the best days of the school year where everyone gets the chance to compete against peers in a range of activities and also socialise and eat a yummy BBQ. Looking forward to seeing the dressed ups cars and also the dressed up people!

Along with sports day, it looks as though it will be a busy week. We are very lucky to secure Scott Henderson again and am looking forward to his sessions.

Thank you to all those that were able to attend the Excursion meeting yesterday. We discussed that we will be having one major excursion every year for Stage 3 and every third year the PE camp. The reasons come down to the rising costs of excursions, doing a very similar excursion every year and simply the time out of school for students in senior years of primary school. With all of the events on in the school, senior students are spending a large chunk of time away from the classroom. I have attached below an excursion timetable for the next few years.

Being a new term we had our Active After Schools draw. Congratulations to Wilbur LeLievre, the winner for Term 2. A $30 voucher for Torpey’s will be on its way out to you. A reminder to everyone that AASC is continuing this term each Wednesday and Friday. Wednesday we have Taekwondo with Gary and each Friday Gymnastics with Zoe.

Have a wonderful week and I am sure I will see many of you next week.

Steve Eason

School Song
(Sung to the tune of ‘Waltzing Matilda’)

All the little children
Scattered through the outback
Tune into School of the Air at the start
And we sing as we listen
To many tape recordings
All joining in though we’re many miles apart

Parted but united, Parted but united
Is our school motto and pride of our hearts
And we sing as we listen
To many tape recordings
All joining in though we’re many miles apart

Big ones and little ones
Listen in attentively
Eager for knowledge our teachers impart

Then we call in to answer
Telling them exciting things
Then back to work with a much lighter heart

UNITY

At School of the Air we:

Use our best manners at all times
Never give up
Instil pride in ourselves and others
Think ‘BIG’
Yearn to learn

How can we help?

Frontier Services is an agency of the Uniting Church and has provided services to people living in Outback and remote Australia for nearly 100 years. The Frontier Services Patrol Ministers offer pastoral care to individuals, families and communities who face the challenges of isolation every day. They travel by road or air to conduct services, to lend a hand or just to have a chat.
