From the Principal’s Desk

Welcome to week seven, I hope that everyone had a safe trip home from Tilpa last week. The mini-school was amazing, thank you to everyone who contributed to ensure that the days went well, we were certainly blessed with great weather and a wonderful location that really suited our needs. As usual our students did themselves proud by wholeheartedly participating in all activities. It truly was a great mini-school!

Congratulations to Maddison Dowling and Charli and Darcey Cullen for representing SOTA at the Barrier Athletics Carnival on Friday. The students did themselves, their families and the school proud with their efforts. They achieved some great results.

- Charli – 2nd 10 years 100m, 2nd Junior Girls 200m and 2nd Junior Girls High Jump.
- Darcey – 2nd Junior Boys Discus
- Maddison – 3rd Junior Girls High Jump

Mrs Baldwin had her operation late last week and is out of hospital in Adelaide, she is on recovering well and her doctors are happy with her progress. She wanted to let everyone know that she was doing well. During her absence Mrs Lavis will be relieving as Assistant Principal.

Mrs Hogan needs to take two weeks of leave commencing next week, she will be replaced on Year 2 by Miss Mullins.

We have had to postpone the proposed Kite Workshop for Year 4/5/6 students for this Friday, we hope to have a date confirmed for term four soon.

Please return any items for Toni Maher’s project by this Friday so they can be collated. The documents have been attached the newsletter again this week.

There will be a cooking session this Friday at 2:25pmCST.

Have a great week!

Scott Sanford

**Principal’s Problem of the Week**

At the recent Brain Challenger’s downhill mountain bike race, four entrants entered the challenging slalom event.

- Alan came first.
- The entrant wearing number 2 wore red, whereas John didn’t wear yellow.
- The loser wore blue and Steve wore number 1.
- Kev beat Steve and the person who came second wore number 3.
- The entrant in yellow beat the entrant in green.
- Only one of the entrants wore the same number as their final position.

Can you determine who finished where, the number and colour they wore?

If you think you know the answer then email it to Mr Sanford by 4pm on Thursday 3rd September (scott.sanford@det.nsw.edu.au) Please send only one email per student, if there is more than one correct answer we will have a draw at the assembly.

Snack Box Muffins – Week 7

Ingredients:
- Olive oil spray or butter to grease or use muffin pans
- 225g (1 1/2 cups) self-raising flour
- 1 1/2 teaspoons baking powder
- 175g pumpkin, peeled, seeded, coarsely grated (will grate during lesson)
- 125g can corn kernels, drained
- 50g ham, coarsely chopped (will chop during lesson)
- 25g (1/4 cup) coarsely grated cheddar (will grate during lesson)
- 2 shallots, trimmed, finely chopped
- 2 eggs
- 185ml (3/4 cup) milk
- 90g (1/3 cup) thick natural yoghurt
- 2 tablespoons pumpkin kernels (pepitas) - Optional

Steps
1. Preheat oven to 180°C.
2. Spray six 185ml (3/4-cup) muffin pans with oil.
3. Combine the flour and baking powder in a large bowl.
4. Stir in the pumpkin, corn, ham, cheddar and shallot.
5. Make a well in the centre.
6. Whisk the eggs, milk and yoghurt in a jug.
7. Pour into the well in the flour mixture and stir until just combined.
8. Spoon among the prepared pans. Sprinkle with pumpkin kernels.
9. Bake for 25-30 minutes or until a skewer inserted into the centres comes out clean. Set aside in pans for 5 minutes to cool before transferring to a wire rack to cool completely.
2015 TEA TOWEL FUNDRAISER

Dear SOTA community,

We are running a Tea Towel Fundraiser!

The P & C is running this popular group tea towel project to raise funds for our school.

The unique tea towel design is made up of drawings by all our students, staff and governesses at SOTA. The drawings are arranged into one commemorative design and screen printed in navy blue onto high quality white tea towels.

We chose tea towels because the project gets the children involved, produces a wonderful memento and meaningful gift for parents, relatives and special friends. The tea towels look amazing, are so easy to post and make a fabulous reminder of your child’s early years.

ONLY $12.50 for a limited edition tea towel!

Tea towels can be ordered by emailing orders to rebecca.pearce18@det.nsw.edu.au or giving orders to Laura Finch, Sally Nevill or Rebecca Pearce at Mini School.

When you place your orders please either transfer money to P&C account or give money to Laura, Sally or Rebecca.

Make sure you don’t miss out! Preserve your child’s artwork and remember friends and teachers forever! We can’t do it without you – support SOTA and place your orders now and let’s raise some funds.

Final orders are due before → 4th September 2015.

If you have any queries please contact Rebecca Pearce

School Of The Air P&C  BSB:012-551  ACC: 287801891
Reference: Your reference number and TTowel
**Background Information:** Myself, Toni Maher – am a previous student who finished my primary schooling days here at School of the Air in 2010 (5 years ago). I am currently at Broken Hill High School in year 11 and am very excited to announce to you that I have been selected to be fully sponsored by the RSL Association, ClubsNSW & all registered clubs within Broken Hill to walk the Kokoda Track as a candidate in the Kokoda Youth Leadership Challenge in September this year.

**What's the Kokoda Track:** The Kokoda track is located in Papua New Guinea just North above Cape York, the tip of Queensland Australia. The shortest distance spanning between the two land masses is approximately 150 km’s.

The Kokoda Track is the long foot trail crossing the Owen Stanley Ranges (a very steep harsh series of mountains) where the Kokoda Campaign took place. The Kokoda Campaign consisted of a number of battles fought between the Japanese and the Allied (mainly Australian) forces during the Pacific War of World War II spaced through July to November in 1942.

So the specific trek that I will be walking is 155kms long stretching over mountain and forest terrain, I’ll be flown from Sydney to Port Moresby (the capital of Papua New Guinea) with 34 other teenagers my age. From here after a night’s stay we will be flown to Owens Corner where we will start our long journey to the finish line which for us is the village of Kokoda.

The Kokoda Youth Leadership Challenge is an opportunity of a lifetime given to selected individuals who have the ability to become encouraging role models and leaders. The aim of this program is to help teach people personal and group leadership skills as well as to educate them on the history of our soldiers and military so that when we return, we will be able to teach others surrounding us of the sacrifices and heroic tales of those who put their lives on the line to protect our freedom.
Now – here is where I would like to ask for your help: along my trek following the Kokoda Track, I will be making many stops at War/burial memorials, significant battle sights and villages. The villages are where many tribal Papuan people live, and unfortunately they are not as fortunate as us when it comes to general resources. I have been offered the idea that I bring something educational to donate to one of the village schools that we will visit. As I said, the locals of these villages are lacking in basic educational resources but we can do something to help.

A plan that my family and I came up with is that I’ll still take a general textbook or something alike to offer as a donation to a school, however I think it would be very educational and interesting for some Papuan children living in a small isolated village to receive a personalised book from our School of the Air students.

The mini project: This assignment is totally optional and I don’t want it to interfere with any of your other school work or daily lives – so no pressure.

I have a layout planned and a few general ideas that I will organise but for any of the SOTA kids of all ages who are interested in getting their work put in a book for some Papuan children, is to have a read of some ideas and instructions:

- First of all, I would like 1 A4 page max. telling me all about you (your age, name, hobbies, interests, favourite animals etc.), what your daily station life is like and what it is you do on your station (you can use photos such as you mustering on a motorbike, shearing or cropping etc.) – you don’t have to go into specifics & details if you don’t want to. The book will be for primary school children like yourself so they will be excited look at pictures and to read about you.

- Then you can do as many as little projects as you like. Ideas for some little projects for you are listed below, your projects don’t have to be long or short so you can be as creative as you like – remember it has to be educational, so they can enjoyably learn about Australia and its different aspects. It does not matter if you do a same mini project as someone else – I’ll be able to work something out.

**Mini Project Ideas**

- Create a poem/song/story or fun fact sheet on individual native Australian animals (e.g. a comic about an Emus life, a report/fact sheet about our Goannas, a poem of facts about the Dingo etc.). A great list of Australian native animals and some facts about them can be found on
If you want to, you can do a mini project on native animals that may not be found in the outback (such as bottle-nosed dolphins or little penguins), or after you have a mini project on a native animal you could do one of a non-native animal (e.g. sheep, cattle, rabbits etc.)

- Create a fun fact sheet/song/story of famous or interesting landmarks of Australia (e.g. information about the Great Barrier Reef, Ayres Rock, Kakadu National Park, or the Jenolan Caves etc.)
- You could do just a generalised small fun fact sheet just about Australia (how old it is, a little bit of its history, some facts, its population compared to Papua New Guinea)
- Create poems or songs about math equations or times tables
- Design and create a simple spelling Bee contest or another type of game that they would be able to play
- Write a report or description about a specific sport, its rules and how the game is played (such as golf, tennis, AFL, Rugby – anything that could widen their knowledge more about sports and the opportunities they have to play them)
- Make a A4 sized photo collage of your favourite animals/sports or on things that make up Australia
- Write about Australia’s Indigenous people, for example discuss their history and traditions
- Do some artworks on A4 pieces of paper of your surroundings, your favourite Australian animals, a Australian city or landmark
- Put together some of your favourite traditional recipes (such as lamingtons, what you cook on the BBQ, damper etc.)
- Gather some information about our mining or farming industry, describe the sort of resources we have in Australia
- You can use or come up with your own ideas as well 😊

Once you are happy with your projects, you can send them into school or drop them off to the front office by Friday the 28th of August so I can start putting the book together. Thank you very much for your time and I look much forward to seeing your projects.
Life & Light in the Western Region Photo Competition 2015

“Our Land – My Home”

$3100 in prize money to be won including $500 “People’s Choice” award sponsored by Far West Rural Supplies

Free to enter
Open to all ages – some age categories apply
Entries close 31 October 2015
Where did the theme come from?

The theme of this year’s Life & Light in the Western Region photographic competition is “Our Land – My Home”. It is about capturing images that reflect a sense of belonging and connection to our region and the place you may call “Home”.

The Western Local Land Services Region:

- covers more than 40% of NSW
- has a population of approximately 43,000 people
- is the largest and most diverse of the Local Land Services areas in NSW
- is home to the entire Barwon-Darling River System and is bordered by the Murray and Murrumbidgee rivers in the south
- is a predominantly flat area interrupted by stony ridges and ranges
- contains many sites of cultural significance and 16 current Aboriginal language groups.

What will the judges be looking for?

The judges will be looking for images taken within the Western Region, no earlier than 2013. The more you know about the region you live in, the more chances you have of taking a prize-winning picture! Here are some ideas to help you impress the panel:

- photographs that show a passion for buildings or the surrounding landscape
- photographs that portray a sense of belonging and connection to a place and/or landscape
- native plants and animals in their natural habitat
- vibrant use of colour in the colour categories
- the Western Region’s land and water systems
- photographs that portray significant landscapes and landmarks from our region
- photographs of people interacting with their landscape

For more about what makes up our region, visit www.western.lls.nsw.gov.au.
